

Early Childhood Education Assistance Programs

# Student Loan Repayment Assistance Program

The Student Loan Repayment Assistance Program for Early Childhood Educators launched in May 2022. The VTAEYC (Vermont Association for the Education of Young Children) is still accepting applications!

You may be eligible for student loan repayment assistance if you have earned an early childhood related degree within the last 5 years.

Most loans qualify, and you can apply even if your loans are currently within forbearance due to Covid-19.

# VSAC Scholarship

If you're interested in a career in early childhood education, there's no better time to earn a degree.

The Scholarship Program for Prospective Early Childhood Educators is a new program that covers full tuition to qualified recipients pursuing an associate or bachelor's degree in early childhood education or early childhood special education at participating schools.
